Nolan Sandbo

Hardworking and adaptable person that is eager to take on new challenges, learn quickly, gain work experience, and provide value to both customers and employers.

Resume

Skills & abilities

Strong problem-solving skills. Enjoy finding a creative solution that helps move a project forward. I value teamwork and bonding; I take pride in helping others around me to create a comfortable environment.

Communication

Interpersonal skills allow me to connect with others in a positive way, whether that's motivating teammates, collaborating with peers, or building professional relationships. I strive to balance confidence with openness, making sure I'm both a dependable leader and an approachable teammate.

Leadership

Leadership has also been a significant part of my development. I've learned how to guide a team by staying organized, setting clear expectations, and encouraging others to take ownership of their roles.
